Don't miss this once in a lifetime opportunity to own a patio home backing to the golf-course and looking at the mountains! This beautiful home has been meticulously maintained and is full of natural light. Open concept floor-plan with the hard to find main floor living so many want. The master suite features a walk-in closet, 5 piece bath and views of the mountains. The garden level basement on this home is also finished for those looking for a bit more living space. Come and take a look...
