Amazing multi-generational estate sitting on 8.76 acres. Over 6300 finished square feet. This home was designed to house parents or in-laws. It features 2 full kitchens, 2 master suites, 2 laundry rooms and an additional 2 beds and 3 baths. The full finished basement features additional bedrooms, a large great room and a work shop. Both kitchens have slab granite countertops and custom cabinets. The garage is a mechanic's dream with car lift and heat. You will love this lot. Plum Creek fl...
