alan@alanjsmith.com

Great opportunity in Bear Valley. Brick ranch with updated kitchen, maple cabinets, new granite slab counters, new stainless steel microwave. 2 beds up and 2 in the finished basement. The house sits on a large 0.20 acre lot with a shed. Plenty of space for RV/ boat parking or to add an additional garage. Great neighborhood, close to parks, schools and shopping. Take a look at the 3D Tour here: https://my.matterport.com/models/6rtJrPrFERH
