Do not miss this immaculate 2 Story home backing to open space on a quiet cul-de-sac. This lovely home features brand new carpet, a flowing open layout with plenty of square footage. All rooms are generously sized including the secondary bedrooms. Granite counters, double ovens, an island, eating space and planning desk make this kitchen not only a pleasure to be in but highly functional as well. Main floor study can be used as a 5th bedroom as well. There is plenty more to see. Come and take...
